

Online dues payment instructions

For your convenience, your MPOA has setup a link so you can pay your annual dues online using a credit card. The convenience fee is not charged to you, it is charged to the MPOA. This is why we request that you reimburse the MPOA for the fee.

To use PayPal, log into our web site: www.meadowmontpoa.com and select "Pay Dues Now" on the home page.

Enter the amount you are paying.

Fill in the required information and then uncheck the "Ship to billing address" and enter your Meadowmont property address on the street address line. We need this to apply your payment to the correct property.

Select "Pay" and you are finished.
