Email: manager@meadowmontpoa.com

treasurer@meadowmontpoa.com

ELECTRONIC MAIL CONSENT FORM

We would like to be able to send you all or part of our MPOA documents by email rather than in printed form. This would lower our costs of printing and mailing. (also saves trees) State law allows us to send our communications and documents electronically, provided that a property owner provides written consent. Some of these documents are mandated by state law.

By completing, signing and returning this form, either by email or snail mail, you can receive documents electronically.

I, the undersigned, hereby authorize Meadowmont Property Owners Association, Inc. to send some or all communications, notices/mailings, as well as any additional documents that State law may allow in the future, via electronic mail to the email address below and/or post them on the Association's website. I also have the right to have the document made available on paper or in non-electronic form. This consent is valid unless revoked. To revoke this consent, I must notify the MPOA in writing.

Your email address will not be disclosed to anyone.

Don't forget that you can see all MPOA documents and forms on the web site.

We will continue to send the dues invoice by mail.

Meadowmont Property Address _____

Property owner Signature _____

Date _____
