Spring Lot Cleaning

In the Spring when snow is gone, there is always a concerted effort to bring our properties into compliance with California Public Resources Code (PRC) 4291. That is when lots are inspected, educating property owners on how to come into compliance with the law. But don't forget, compliance with PRC 4291 is required 365 days a year! California Department of Forestry and Fire Protection have provided us a list of trained tree service vendors that is posted on our website at meadowmontpoa.com.

If you don't clear around your home, Mother Nature may do it for you, and with a heavier hand than you might have used

FIREWISE USA

MEADOWMONT POA has been certified as a participating site with Firewise USA. Firewise is separate from MPOA. We thank Martha Rubin and volunteers for their efforts. Please plan on attending the Firewise Preparedness day on SAT May 2 from 9-12 noon for lots of information, free coffee and food at Independent Hall on Blagen Rd in Arnold.!

For Members to receive certification you must 1) Be a property owner, 2) Show proof of compliance with PRC 4291 with labeled photos and/or a receipt from a lot cleaner/vendor and 3) Be current with your MPOA Dues. Contact (meadowmontfirewise@gmail.com) and provide the above to receive your certificate. Share your certificate with your Insurance provider as it may get you a discount on your premium!.

We all experienced downed trees from this winter storm, limbs and pine needle debris that will need to be removed in order for lots to be in compliance. Members you may choose to work with your neighbors, hire a chipper and trailer and remove the debris with a group effort. Some residents like to pile and burn their debris. Please visit the CAL-FIRE website or call 209-795-1542 for information on how to safely burn your yard debris and burn permit requirements. No smoke piles please, keep your debris burning! Burn permits are required year-round, during the periods that burning is allowed. There are specific rules for burning which must be followed at all times and are the responsibility of the property owner.

Continued on next page

FIREWISE USA CONTINUED

There are approved burn days and you can verify these dates by calling 209-754-6600. Cal Waste 209-795-1532 can also provide you with a dumpster. The dumpster is free if you have curbside pickup! Millers on HWY 4 should take yard waste. Rock Creek 209-754-6403 is available for dumping and recycling as is Red Hill 209-736-2144. A list of yard waste removal and tree removal services can be found on our website.

Properties in Meadowmont are subject to inspections year round. Property owners are required to keep their lots clean year-round of forest debris, dead trees and limbs and follow the clearance Guidelines of MPOA CC&R and PRC 4291. Being in compliance is important for fire prevention and required by fire Insurance carriers. A current list of 2026 Lot Cleaners is posted on our website!

Emergency Air Lift Helicopter Flight Insurance Air Med

If you own property or have a legal residence in the Ebbetts Pass Fire District, you do not have to pay for EPFD ambulance service as it is paid for in your property taxes. If, you have an Emergency and you have to be "MEDI FLIGHTED" out, it may cost many thousands of dollars (\$20K or more) and not all, if any, medical insurance companies pay for that service. Air Med provides service & coverage. Let them know you are a Member of MPOA! It's a good idea!

**SPEED
LIMIT
25**

Please obey the 25mph speed limit on all our residential roads in the Community. County Roads are plowed by the County and they are supposed to maintain the drainage culverts along the roadway except for the culvert under your driveway which is a property owner's responsibility. Call 209-754-6402 for any road repairs, show removal and signage. The County now has a service system, that will send you a status notice of completion. Vehicles please share the roadway with pedestrians, bicyclists, skateboarders, dog walkers, children at play, and others ... not to mention, wild animals, large and small!!! With hilly crests, curves and trees blocking visibility, excessive speed is DANGEROUS!!!

INSURANCE DISCLOSURE

The recommendations of the Association's Insurance Agent are followed when placing liability coverages. The Association's policies do meet the minimum limits as required by Civil Code 5805. Therefore; generally, individual owners can only be liable for their proportional share of any Emergency or Special Assessment levied to pay the amount of a judgment or court order, which exceeds the limits of the Association's coverage. It is recommended that owners purchase coverage on their individual Homeowner's policies to cover this exposure

OWNER'S INDIVIDUAL LIABILITY POLICES AND LOSS ASSESSMENT COVERAGE

It is very important that members explore their own risks with a knowledgeable insurance agent and purchase coverages to protect you from any liability or loss occurring on your own lot. Owners should also be aware of the exposure from damages or loss on the common area and/or any exclusive use common area that may result in an insurance gap in coverages between the Association's coverage and your own. We also strongly recommend that you inquire about Loss Assessment Coverage. The cost of an endorsement for loss assessment is very minimal and provides protection to individual owners for any extraordinary Association loss that may result in a special or emergency assessment to members for damages in excess of the Association's coverage. Individual homeowners are encouraged to obtain Loss Assessment Coverage for earthquake/flood damage, particularly in light of policies, which are now available, by participating insurance carriers, which have joined the California Earthquake Authority.

STATUTORY DISCLOSURE

The summary of the association's policies of Insurance provides only certain information as required by subdivision Section 5310(a)(7) of the Civil Code and should not be considered a substitute for the complete policy terms and conditions contained in the actual policies of Insurance. Any Association member may, upon request and provision of reasonable notice, review the Association's Insurance policies and, upon request and payment of reasonable duplication charges, obtain copies of those policies. Although the Association maintains the policies of Insurance specified in this summary, the Association's policies of Insurance may not cover your property, including personal property or, real property improvements to or around your dwelling, or personal injuries or other losses that occur within or around your dwelling. Even if a loss is covered, you may nevertheless be responsible for paying all or a portion of any deductible that applies. Association members should consult with their individual insurance broker or agent for appropriate additional coverage.

Any request for resolution sent to an owner of a separate interest shall include a copy of §5965.

Copies and details of this entire Statute may be found on the internet, on the Association's website and may also be provided upon request by our office.

INTERNAL DISPUTE RESOLUTION

Meet & Confer. Associations must provide a "fair, reasonable and expeditious" procedure for resolving disputes between the association and its members without charging a fee to the member participating in the process.

(Civ. Code §5910.) The process is referred to as "Internal Dispute Resolution" (IDR) or "Meet and Confer."

Default Procedure. If an association does not establish its own procedures, then the following procedures automatically apply (Civ. Code §5915):

- (1) The party may request the other party to meet and confer in an effort to resolve the dispute. The request shall be in writing.
- (2) A member of an association may refuse a request to meet and confer. The association may not refuse a request to meet and confer.
- (3) The association's board of directors shall designate a member of the board to meet and confer.
- (4) The parties shall meet promptly at a mutually convenient time and place, explain their positions to each other, and confer in good faith in an effort to resolve the dispute.
- (5) A resolution of the dispute agreed to by the parties shall be memorialized in writing and signed by the parties, including the board designee on behalf of the association.

RESOLUTION OF THE BOARD OF DIRECTORS OF MEADOWMONT PROPERTY OWNER'S ASSOCIATION, INC.

The following action was taken at the duly noticed and held meeting of the Board of Directors (the "Board") of Meadowmont Property Owner's Association (the "Association") on September 8, 2009 at which at least a quorum of the Directors was present:

WHEREAS, the Association is the owners association formed to manage the Meadowmont Subdivision residential planned development in Arnold, California (the "Development"); and
WHEREAS, pursuant to the instrument entitled "Meadowmont Property Owner's Association Covenants, Conditions & Restrictions", recorded on October 9, 1996, as Instrument No. 1996 13589, as amended by (1) the instrument entitled "Amendment to the Declaration of Conditions, Covenants and Restrictions, 1996, of the Meadowmont Subdivision", recorded on March 22, 2004, as Instrument No. 2004-5574 and (2) the instrument entitled "Amendment to the Declaration of Conditions, Covenants and Restrictions, 1996, of the Meadowmont Subdivision", recorded on August 16, 2004, as Instrument No. 2004-17849, all in the official records of Calaveras County, California (collectively, the "Declaration"), and California Civil Code Section 1354, the Association has the power to enforce the provisions of the Declaration; and

WHEREAS, the Association has limited financial resources and does not have the resources to affirmatively monitor behavior within the Development to determine if there are violations of the Declaration or other governing documents of the Association; and

WHEREAS, in recognition of the Association's limited financial resources, the Board has determined that it is in the Association's best interests to adopt a use restriction enforcement policy that requires the receipt of a written complaint from an owner and a determination by the Board that the alleged violation of a use restriction is creating material harm within the Development, before the Board will proceed with enforcement against the alleged violator.

NOW, THEREFORE, BE IT HEREBY RESOLVED, that the Board shall enforce the use restrictions set forth in the Declaration, as follows:

1. The Board will only investigate an alleged violation if it receives a written complaint from an owner.
2. In determining whether to proceed with enforcement action, the Board will evaluate whether, in the Board's discretion, the alleged violation is creating material harm within the Development.
3. If the complainant identifies himself or herself, the Board will not disclose the identity of the complainant unless (i) ordered by a court to reveal it, or (ii) the complainant consents to such disclosure.
4. In the event the Board determines that the alleged violation is of such a nature as to require testimony or other evidence from the complainant and the complainant does not identify himself or herself or refuses to consent to the disclosure of his or her identity, the Board may in its complete discretion refuse to proceed with or continue enforcement action in recognition of the evidentiary difficulties and hindrances caused by anonymous complaints in many enforcement matters.
5. By submitting a written complaint to the Board, a complainant acknowledges that because of limited resources the Board cannot vigorously enforce every single violation of the Declaration, and therefore the Board may ultimately decide not to initiate enforcement proceedings against the alleged violator or may decide to terminate enforcement proceedings at some point after they have been initiated. A complainant further acknowledges that, according to the Declaration and California Civil Code Section 1354, each owner has an independent right to enforce compliance with the use restrictions.

Dated: September 8, 2009.

MEADOWMONT PROPERTY OWNERS' ASSOCIATION MEMBERS ASSESSMENT COLLECTION POLICY (rev: 12/13/14)

This document sets forth the Meadowmont Property Owners' Association's policy regarding the collection of Assessments pursuant to the "Meadowmont Property Owners' Association Conditions, Covenants & Restrictions", the "First Restated Bylaws of Meadowmont Property Owners' Association" and California Civil Code Section 4340 et seq.

1. Assessments in General. The Association has a duty to levy regular and special Assessments sufficient to perform its obligations under the governing documents and California law. Regular Assessments are levied annually.
2. Obligation to Pay Assessments. Each Assessment or charge is an obligation of the Owner at the time the Assessment or other sums are levied. Each Assessment or charge is also a lien on the Owner's Property from and after the time the Association causes a Notice of Delinquent Assessment (pursuant to California Civil Code Section 5660) to be recorded with the Calaveras County Recorder's Office.
3. Notice of Assessments. Not less than thirty (30) days nor more than sixty (60) days before any increase in the annual Assessment or any special Assessment become due, the Association will give the Owners notice of the Assessment. Notice will be sent by first-class mail to the address on the membership register as of the date of notice. The Board of Directors may elect from time to time to provide additional periodic statements of Assessments and charges, but lack of such statements does not relieve the Owners of the obligation to pay Assessments.
4. Designation of Agent. The Board of Directors may designate an agent or agents to collect Assessment payments and administer this Assessment Collection Policy. Such designated agent may be an officer of the Association, manager, banking institution, law firm or other appropriate agent.
5. Due Date/Delinquency Date of Assessments. Regular annual Assessments are due on July 1st of each year. A regular annual Assessment or any portion thereof, is delinquent if it has not been post marked before August 1st of the year in which the Assessment is levied. A special Assessment, or any portion thereof, is delinquent if it has not been received as directed by the Board thirty (30) days after the special Assessment is due.

6. Interest Charges. The unpaid balance of an Assessment account shall be subject to interest at a rate not to exceed 12 percent per annum (1% monthly), commencing 30 days after the Assessment becomes due. A special Assessment shall bear interest beginning on the 30th day after which such Assessment is due.
7. Interest and Collection Charges: Any costs and fees incurred in processing and collecting delinquent amounts, including, without limitation, late fees and interest charges, charges for preparation of delinquency notices or referral for collection, postage and copies, and attorneys' fees and costs, shall become an additional charge against the Owner and the Owner's Property shall be subject to collection action pursuant to this policy.
8. Application of Payments. Payments shall be applied first to principal owed, then to interest, fees and collection charges.
9. Initial Delinquency Notice. Once an Assessment, or any portion thereof, has become delinquent, the Owner shall receive an initial delinquency notice stating all amounts past due and any known collection charges imposed as of the date of the notice, which may be in the form of a letter, monthly statement, past due notice, or any other form of writing or notice from the Association or its designated agent.
10. Notice of Intent to Record a Lien. If an Assessment account remains unpaid for one year after it is due, the Association or its designated agent, may without further notice to the Owner, refer the account for collection. Following referral, and in accordance with California Civil Code Section 5660, the Association's agent for collection shall notify the Owner by certified mail that a lien will be recorded against the Owner's Property unless the entire balance of the account is paid within thirty (30) days and shall provide an itemized statement of the charges owed as of the date of the notice, including the costs of the Notice of Intent to Lien. The agent for collection may require that payment be made in certified funds.
11. Recording of Lien. A lien may be recorded if, within the time period allowed for the Owner to pay the entire balance of the account, the Owner fails to pay such balance.
12. Foreclosure. Subject to the limitations of California Civil Code Section 5710 and Section 5720, foreclosure proceedings may commence thirty-one (31) days after recording the lien on the Property if either the entire balance of the account has not been paid or a payment agreement has not been entered into with the Association.
13. Payment Agreement. Unless required by law, neither the Association nor its designated agent has any obligation to accept partial payments on an Assessment account. An Owner may petition the Board of Directors in writing for a payment agreement to allow the Owner to make periodic payments on the entire balance of the Assessment account, in addition to the ongoing Assessment payments, in amounts and on a payment schedule agreed to be the Board of Directors. The Association has no obligation to enter into such a payment agreement. Any agreement entered into with the Owner shall be reasonable, as determined by the Board in its sole discretion and for the sole purpose of assuring that the best interests of the Association are served. The payment agreement shall be in writing and a provision shall be included that failure to meet any term of the agreement shall give the Board the right to immediately continue the collection process without further notice to the Owner.

14. Recording of Release of Lien. A Release of Lien will not be recorded until the entire balance of the Owner's account is paid. All charges incurred in recording a Release of Lien, including reasonable attorneys' fees, will be charged to the account.
15. Dishonored Checks. At any time that the Association or its designated agent receives a check dishonored by the bank for any reason, a charge of \$25.00 shall be imposed. The Board of Directors may immediately proceed with the collection process if the Assessments are not paid within ten (10) days after notice of the dishonored check is sent to the Owner. The Association may also seek damages in accordance with California Civil Code section 1719.
16. Dispute of Charges. If the Owner questions the accuracy of the calculation of an account or the amount charged to the Assessment account, a written objection to the specific charges must be made to the Board of Directors within thirty (30) days of the date a "Notice of Lien" is sent to the Owner of the charge or balance. A telephone call will not reserve any rights. The disputed amount may remain unpaid during the investigation, but undisputed portions of the account must be paid before the delinquency date in order to avoid collection charges. No action will be taken to collect the disputed amounts until completion of the investigation and a decision is made by the Board of Directors, unless the Board determines the Owner is acting in bad faith and takes action under paragraph 17 of this Policy. The Owner must provide the following information in writing regarding any dispute:
- a. The Owner's name, mailing address, Property address and account number;
 - b. The exact dollar amount in dispute or in error;
 - c. For each charge or payment in dispute, an explanation of the reasons the Owner believes there is an error, with sufficient detail such as dates, names and check numbers, so that the dispute may be investigated efficiently and effectively. If the Owner does not know how the error was made, that statement may be made, but the dates and check numbers, etc., must be given;
 - d. Copies of checks, letters or other documents referred to or claimed must accompany the written objection.
17. Failure of Owner to Cooperate. If at any time during the Board of Director's attempts to work with the Owner to collect Assessments, the Board believes that the Owner is refusing to make a good faith effort to meet his or her Assessment obligations to the Association, the Board may, in its duty to protect the interests of the Association and in addition to collecting the delinquent Assessments pursuant to this Policy, choose to impose non-monetary sanctions against the Owner after notice and an opportunity for the Owner to attend a hearing on the matter. The process commenced may include suspension of membership rights, including the right to use recreational facilities, as allowed by California law and the Association's governing documents.

18. Other Remedies. The Association reserves the right to avail itself of any other remedies permitted by law and the Association's governing documents to collect Assessments and related costs and charges, including, but not limited to bringing an action in Small Claims, Municipal or Superior Court. Such remedies may be taken in addition to or in lieu of any action already taken, and commencement of one remedy shall not prevent the Association from electing at a later date to pursue another remedy.

19. Address of the Association and the Board of Directors. Owners should respond in writing or make payments to the address as directed by the designated agent. If no address is given, responses and petitions should be mailed to the Association at the following address:

Meadowmont Property Owners' Association
Board of Directors P.O. Box 213 Arnold, Ca 95223

20. Sufficiency of Notice. Except for notice that under California law must be sent by certified mail, notice is sufficient if either hand delivered or mailed first class, postage prepaid, to the Owner at the address on the membership register at the time of notice.

21. Void Provisions. If any provision of this Policy is determined to be null and void, all other provisions of the Policy shall remain in full force and effect.

DAVIS-STIRLING ACT

Civil Code §5730. Annual Statement of Collection Procedure. FORECLOSURE DISCLOSURE

(a) The annual policy statement, prepared pursuant to Section 5310, shall include the following notice, in at least 12-point type:

NOTICE ASSESSMENTS AND FORECLOSURE

This notice outlines some of the rights and responsibilities of owners of property in common interest developments and the associations that manage them. Please refer to the sections of the Civil Code indicated for further information. A portion of the information in this notice applies only to liens recorded on or after January 1, 2003. You may wish to consult a lawyer if you dispute an assessment.

ASSESSMENTS AND FORECLOSURE

Assessments become delinquent 15 days after they are due, unless the governing documents provide for a longer time. The failure to pay association assessments may result in the loss of an owner's property through foreclosure. Foreclosure may occur either as a result of a court action, known as judicial foreclosure, or without court action, often referred to as nonjudicial foreclosure. For liens recorded on and after January 1, 2006, an association may not use judicial or nonjudicial foreclosure to enforce that lien if the amount of the delinquent assessments or dues, exclusive of any accelerated assessments, late charges, fees, attorney's fees, interest, and costs of collection, is less than one thousand eight hundred dollars (\$1,800). For delinquent assessments or dues in excess of one thousand eight hundred dollars (\$1,800) or more than 12 months delinquent, an association may use judicial or nonjudicial foreclosure subject to the conditions set forth in Article 3 (commencing with Section 5700) of Chapter 8 of Part 5 of Division 4 of the Civil Code. When using judicial or nonjudicial foreclosure, the association records a lien on the owner's property. The owner's property may be sold to satisfy the lien if the amounts secured by the lien are not paid. (Sections 5700 through 5720 of the Civil Code, inclusive) In a judicial or nonjudicial foreclosure, the association may recover assessments, reasonable costs of collection, reasonable attorney's fees, late charges, and interest. The association may not use nonjudicial foreclosure to collect fines or penalties, except for costs to repair common area damaged by a member or a member's guests, if the governing documents provide for this. (Section 5725 of the Civil Code)

The association must comply with the requirements of Article 2 (commencing with Section 5650) of Chapter 8 of Part 5 of Division 4 of the Civil Code when collecting delinquent assessments. If the association fails to follow these requirements, it may not record a lien on the owner's property until it has satisfied those requirements. Any additional costs that result from satisfying the requirements are the responsibility of the association. (Section 5675 of the Civil Code)

At least 30 days prior to recording a lien on an owner's separate interest, the association must provide the owner of record with certain documents by certified mail, including a description of its collection and lien enforcement procedures and the method of calculating the amount. It must also provide an itemized statement of the charges owed by the owner. An owner has a right to review the association's records to verify the debt. (Section 5660 of the Civil Code)

If a lien is recorded against an owner's property in error, the person who recorded the lien is required to record a lien release within 21 days, and to provide an owner certain documents in this regard. (Section 5685 of the Civil Code)

The collection practices of the association may be governed by state and federal laws regarding fair debt collection. Penalties can be imposed for debt collection practices that violate these laws.

PAYMENTS

When an owner makes a payment, the owner may request a receipt, and the association is required to provide it. On the receipt, the association must indicate the date of payment and the person who received it. The association must inform owners of a mailing address for overnight payments. (Section 5655 of the Civil Code)

An owner may, but is not obligated to, pay under protest any disputed charge or sum levied by the association, including, but not limited to, an assessment, fine, penalty, late fee, collection cost, or monetary penalty imposed as a disciplinary measure, and by so doing, specifically reserve the right to contest the disputed charge or sum in court or otherwise.

An owner may dispute an assessment debt by submitting a written request for dispute resolution to the association as set forth in Article 2 (commencing with Section 5900) of Chapter 10 of Part 5 of Division 4 of the Civil Code. In addition, an association may not initiate a foreclosure without participating in alternative dispute resolution with a neutral third party as set forth in Article 3 (commencing with Section 5925) of Chapter 10 of Part 5 of Division 4 of the Civil Code, if so requested by the owner. Binding arbitration shall not be available if the association intends to initiate a judicial foreclosure.

An owner is not liable for charges, interest, and costs of collection, if it is established that the assessment was paid properly on time. (Section 5685 of the Civil Code)

MEETINGS AND PAYMENT PLANS

An owner of a separate interest that is not a time-share interest may request the association to consider a payment plan to satisfy a delinquent assessment. The association must inform owners of the standards for payment plans, if any exists. (Section 5665 of the Civil Code)

The board must meet with an owner who makes a proper written request for a meeting to discuss a payment plan when the owner has received a notice of a delinquent assessment. These payment plans must conform with the payment plan standards of the association, if they exist. (Section 5665 of the Civil Code)

(b) An association distributing the notice required by this section to an owner of an interest that is described in Section 11212 of the Business and Professions Code that is not otherwise exempt from this section pursuant to subdivision (a) of Section 11211.7 of the Business and Professions Code may delete from the notice described in subdivision (a) the portion regarding meetings and payment plans.
